

What Your Doctor May Not Tell You About Colorectal Cancer: New Tests, New Treatments, New Hope

By Pochapin, M.D., Mark Bennett

Warner Books, New York, 2004. Hard Cover. Book Condition: New. Dust Jacket Condition: New. Stated First Edition. 8vo - over 7¾" - 9¾" tall. This Stated First Printing from March 2004 also includes the required "number line" ending in a "1" to indicate First Printing. The book is in Brand New condition with a Brand New dust jacket. Dr. Pochapin, a colon cancer specialist, explodes the myths and misconceptions about the third most common -- and second most deadly -- form of cancer in the U.S. Learn what you can do to prevent it, to screen for it, to detect it, and to treat it, exploring the benefits, side effects, and risks for traditional, alternative, and cutting-edge therapies, along with aftercare. The book is bound in ivory paper-covered boards with blue spine and die-stamped silver spine titles. I've placed the dust jacket into an archival, Brodart protective sleeve. The book measrues 6 1/4 by 9 1/4 inches and includes 281 pages, It includes information to obtain a free CD-Rom.
