A NEW NEW TESTAMENT

Houghton Mifflin. Paperback. Book Condition: new. BRAND NEW, A New New Testament, Hal Taussig, There are twenty-seven books in the traditional New Testament, but the early-Christian community was far more vibrant than that small number might lead you to think. In fact, many more scriptures were written and were just as important as the New Testament in shaping early-Christian communities and beliefs. Over the past century, many of those texts that were lost have been found and translated, yet they are rarely read in contemporary churches; they are discussed mainly by scholars or within a context only of gnostic gospels. In A New New Testament Hal Taussig seeks to change that.
