REACHING FOR THE SKY: NEW YORK: 19291932DRAWINGS AND PRINTS

Allied Arts Guild. 1 Cloth(s), 1992. hard. Book Condition: New. This unique collection of 60 drawings and 18 prints represents the sketch portfolio of Austrian-born architect Mark Freeman, who during his years of study at Columbia University recorded the ever-rising skyline of Manhattan, documenting the new architecture that would later come to be known as "modernism." This is New York in a state of flux, marking a historic change in the city's architecture through precise yet energetic drawings (reproduced at...

Reviews

This ebook is great. It is definitely basic but shocks from the 50 percent of your publication. Its been printed in an exceedingly basic way and it is only right after i finished reading this book where basically changed me, modify the way in my opinion.

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
