Lulu.com, United Kingdom, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Philomena Davenport is shocked at her first sight of Breckenhill Keep, the monstrous ruin she had inherited from the father who had deserted her as a child. Even more shocking was the mysterious stipulation in the will that required her to remain at the Keep for three months, before she could claim her inheritance. How could she do that when the Guardian of the Keep, the dauntingly handsome Byron Carstairs, wants her gone, and the spine chilling howls echoing up from the bowels of the ruin urge her to escape while she can? But Phil is made of firmer stuff than that. She will take on the denizens of this dark domain, and make the place her own. No monster or man would keep her from it, and only love could drive her away. For Byron, Phil is a light in the darkness of his duty-bound life. But no matter how much he needs her, it is no kindness to keep her there. She deserved far better than a burdened man and a castle keep filled with monsters. For her own good, he must drive her light from his dark life.
