## NAKED: HOW TO FIND THE PERFECT PARTNER BY REVEALING YOUR TRUE SELF

Hay House Inc. Paperback. Book Condition: New. Paperback. 216 pages. Dimensions: 8.3in. x 5.3in. x 0.7in. Are you sick and tired of trying to make your relationships work? Have you had enough of putting your own needs and desires on the back burner while you try to fulfill those of someone else? Here's the reality of the situation: dating is not about trying to make things work, and it's not about putting off the things you want. What dating is all about is finding the person who is the best match for you. The problem is that too many people aren't willing to get naked, that is, to be honest with themselves and with their prospective mates. They hide who they really are inside, become frustrated with their partners, and then the relationship ends up on the rocks. Imagine how easy dating would be if you knew exactly who you were dating from the get-go, and the other person knew the same thing. In this informative book, dating expert David Wygant takes you on a journey that will change your life forever. David will help you conquer your relationship fears and insecurities once and for all and attract the kind of people you want to meet, date, and build long-term relationships with. Being single and dating means that you have the freedom to meet the right person, and the power to finally get it right. Being single can be the most amazing adventure if you're willing to reveal the real you—both to yourself and to others. Within these pages, you will discover how to use the Law of Attraction in dating to your advantage, how to speak from your heart, how to understand exactly what you want out of life, and how to communicate honestly—with yourself and with your mate.
