New York, New York, U.S.A.: Viking Press, 2004. Hardcover. Book Condition: New. Dust Jacket Condition: New. Book Description March Monroe and her daughter Olivia are going to college. Not together at the same school, of course, just at the same time. March knows that Olivia is going, naturally, since she and her husband have just made their first exorbitant tuition payment. But Olivia doesnt exactly know the arrangement . . . yet. Its not as if March plans never to tell her; she just figures shell wait a bituntil theyve had a little time to miss each other. So imagine Olivias surprise when one day she shows up for training at a local radio station and finds out that one of the other interns is . . . her mother. Sharing an internship with her royally ticked-off daughter is not Marchs only new challenge. Among the multiple decisions on her mind are what to do about a slightly tired marriage, a fourteen-year-old son who probably wont be speaking to her for much longer, and a midlife crush, not to mention Quantum Physics and Youthe class that just might put her over the edge. Laugh-out-loud funny, Multiple Choice is an effervescent novel of family life that will strike a chord with women everywherewhether they have kids in college or are just now choosing their own majors. Required summer reading! About the Author Claire Cook is the author of the novels Must Love Dogs and Ready to Fall. A teacher of physical fitness and creative writing, she has had previous stints as a copywriter, radio continuity director, garden designer, and dance and aerobics choreographer.
