*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

The political cartoon, like fine art, is the creation of an individual that gives it a singular effectiveness. - - Jerry Robinson Combine the wit and insight of 130 leading editorial cartoonists with the headline-making events of a year filled with controversial issues, and the result is this provocative volume of wry satire and social commentary. This collection of editorial cartoons is a pictorial history of the year's major developments.
