

## The End of American World Order

Filesize: 1.04 MB

### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## THE END OF AMERICAN WORLD ORDER

DOWNLOAD

Oxford University Press, New Delhi, India. Hardcover. Book Condition: New. Dust Jacket Condition: New. The age of western hegemony is over. Whether or not America itself is declining, the post-war liberal world order underpinned by US military, economic and ideological primacy and supported by global institutions serving its power and purpose, is coming to an end. But what will take its place? A Chinese world order? A reconstituted form of American hegemony? A regionalized system of global cooperation, including major and emerging powers? In this timely and provocative book, Amitav Acharya offers an incisive answer to this fundamental question. While the US will remain a major force in world affairs, he argues that it has lost the ability to shape world order after its own interests and image. As a result, the US will be one of a number of anchors including emerging powers, regional forces and a concert of the old and new powers shaping a new world order. Rejecting labels such as 'multipolar', 'apolar' or 'G - zero', Acharya likens the emerging system to a multiplex theater, offering a choice of plots (Ideas), directors (Power) and action (Leadership) under one roof. Finally, he reflects on the policies that the US, emerging powers and regional actors must pursue to promote stability in this decentered but interdependent, multiplex world. Printed Pages: 168.
