Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Are you feeling devastated by losing the love of your life? Has divorce broken your heart into a million pieces? It can make you feel as though you cannot go on and that you will never love again. Clarissa O. Clemens found herself drowning in the pain of a broken heart. She took her pen in hand and began processing all of those feelings writing poems of hopeful verse providing solace to her aching heart. Here is the first poem in the book for you to read: Loving Myself First
Fluttery feeling Fading fast Holding onto dreams You thought would last Slipping away only to betray The trust you had invested Had failed after tested What we had once called us Became empty and ambiguous The we became me The bond was forever gone The you went astray My broken heart on display Alone in my loneliness Finding strength From my coldness Anger helps to heal Erase the numbness so I can feel Direct my life with new meaning Moving ahead done with grieving Opportunities await my future state Ready to create and contemplate Who I am and who I want to be Loving myself first To truly set myself free *** (c)Clarissa O.
