

Colleges and universities Eleventh Five-Year Plan textbooks: water treatment engineering applications experiments (3)(Chinese Edition)

Filesize: 7.22 MB

Reviews

The most effective pdf i ever read. it absolutely was writtern extremely flawlessly and useful. I am very easily will get a pleasure of reading through a published book.

(Prof. Vidal Ledner)

COLLEGES AND UNIVERSITIES ELEVENTH FIVE-YEAR PLAN TEXTBOOKS: WATER TREATMENT ENGINEERING APPLICATIONS EXPERIMENTS (3)(CHINESE EDITION)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2005 Pages: 185 in Publisher: colleges Eleventh Five-Year Plan of Harbin Institute of Technology Press materials: water treatment engineering applications experiments (3rd edition) mainly on municipal engineering. environmental engineering professional teaching experimental purposes. tasks. content. method and procedure. as well as data processing. the chemical analysis of the experimental parameters. laboratory safety knowledge. The experimental teaching materials with the theory of teaching students to observe. thinking and the ability to operate independently. and to really achieve a combination of theory and practice skills level. University Eleventh Five-Year Plan textbooks: water treatment engineering applications experiments (3rd edition) available for colleges and universities water supply engineering. drainage engineering and environmental engineering undergraduate use. are also available for professional. scientific and technical personnel in research References used in the experiment. Contents: Introduction Section I Water Supply and Drainage Engineering Laboratory for the purpose of the basic requirements for a water treatment project application experiment. Section II of the requirements of the task and the results of two water treatment engineering experimental procedure Water Supply and Drainage Engineering Laboratory safety knowledge flammable and explosive substances safety measures to prevent the strong oxidant corrosion laboratory safety management data error analysis of the experimental data processing error data of the first section. the basic concept of a data error concept and classification of two experiments error analysis of the second experimental data collation and analysis of experimental data collating the analysis of the experimental data in Chapter Water & Wastewater Treatment Project Experimental Section I clarify to water treatment engineering experiment experimental coagulation test experiment two pulse experiment experiment three hydraulic circulation clarify experiment experimental four inclined plate sedimentation experimental experimental V...
